

## How to submit a paper in EasyChair?

1. Navigate to the TEA2016 EasyChair system, at <https://www.easychair.org/conferences/?conf=tea2016>
2. Log in with your EasyChair account (or Signup if this is the first time you use EasyChair)

3. Click on the tab 'Submission.

4. Click 'Add a submission'.

## New Submission for TEA2016

Follow the instructions, step by step, and then use the "Submit" button at the bottom of the marked by (\*).

### Author Information

For each of the authors please fill out the form below. Some items on the form are explained below:

- **Email address** will only be used for communication with the authors. It will not appear in the program if you are not corresponding. These authors will also have no access to the submission page.
- **Web site** can be used on the conference Web pages, for example, for making the program.
- Each author marked as a **corresponding author** will receive email messages from the system.
- One of the authors should be marked as a **speaker**. If you are not sure, choose your best person.

#### Author 1 ([click here to add yourself](#)) ([click here to add an associate](#))

First name <sup>†</sup> (*):	<input type="text"/>
Last name (*):	<input type="text"/>
Email (*):	<input type="text"/>
Country (*):	<input type="text"/>
Organization (*):	<input type="text"/>

5. Fill out the forms to provide citation information, such as author names, a title, abstract and keywords.

If any of your co-authors have already signed up to EasyChair, you should click 'Add an Associate' to search for them, as opposed to adding their information manually.

## Title and Abstract

The title and the abstract should be entered as plain text, they should not contain HTML elements.

Title (\*):

The abstract should not exceed 300 words

Abstract (\*):

## Keywords

Type a list of keywords (also known as key phrases or key terms), **one per line** to characterize your submission. You should specify at least three keywords.

Keywords (\*):

## 6. Select one or more topics related to your paper.

### Topics

Please select topics relevant to your submission from the following list.

**E-Assessment quality**

- ☐ E-Assessment and security
- ☐ Perceptions on E-Assessment
- ☐ E-Assessment in the context of MOOCs and Open Educational Resources
- ☐ Large-scale E-Assessment
- ☐ New domains for E-Assessment
- ☐ Other on quality

**Technologies for assessment**

- ☐ Assessment platforms (architectures, open sources initiatives etc.)
- ☐ Authoring tools for assessment for teachers and learners
- ☐ Automation of item and test generation
- ☐ E-Assessment in the context of recommender systems or personalized virtual learning environments
- ☐ Reporting: ePortfolios, Webfolios, open learner models, visualization of results
- ☐ Mobile assessment
- ☐ Assessment in simulation environments and virtual worlds, virtual laboratories
- ☐ Cloud assessment, cloud technologies for eAssessment
- ☐ Using linked data for E-Assessment
- ☐ Other on technologies

**Methodologies**

- ☐ Construct definition and rubrics
- ☐ Quality and security issues when using technologies
- ☐ Collaborative assessment, peer assessment, self-assessment using technologies
- ☐ Adaptive testing and adaptive assessment
- ☐ Learning analytics

☐ E-Assessment literacy- ☐ Policy frameworks for E-Assessment
- ☐ Embedded E-Assessment
- ☐ E-Assessment in interdisciplinary contexts
- ☐ Open badges for E-Assessment
- ☐ Question bank/item repositories
- ☐ Tools for automatic scoring (e.g., free text entry)
- ☐ Automated feedback in the context of Intelligent Tutoring Systems (ITS)
- ☐ Assessing complex answers (e.g., free-hand diagrams)
- ☐ Blogs and Wikis for assessment
- ☐ Authentic assessment (in a real-world challenge context)
- ☐ Seamless assessment (anytime, everywhere, cross-device)
- ☐ Automated interactive feedback
- ☐ TEA for key competences
- ☐ Task modeling
- ☐ Location-based/context-aware educational feedback and feed forward
- ☐ Specific contributions to (high stake) summative, diagnostic and formative assessment
- ☐ Cross-institutional item construction and item-banks
- ☐ (Crowd-) authoring of assessment items

## 7. Choose a track for your paper; Is it a research paper or a practice paper. And is it a full paper, short paper, demo paper or a workshop?

Upload your full submission file in PDF format by clicking the 'Browse' button.

Note that the forms above provide space for an abstract. Please do not upload abstracts separately.

## Other Information and Uploads

The following part of the submission form was added by TEA2016. It has neither been checked nor endorsed by EasyChair

**To which track do you want to submit your paper? (\*).** Please choose either the research or the practice track

- ☐ Research  
☐ Practice

**Which type of paper are you submitting? (\*).** Please choose the type of paper

- ☐ Full paper (14 pages)  
☐ Short paper (8 pages)  
☐ Demo paper (4 pages)  
☐ Workshop proposal (2 pages)

**Paper (\*).** Upload your paper. The paper must be in PDF format (file extension .pdf)

8. When you are happy with your submission, click 'Submit Paper' to save all the information in EasyChair.

### Ready?

If you filled out the form, press the 'Submit' button below. **Do not press the button twice: uploading may take time!**

**Submit**

9. Once you have submitted, you will be taken to the information page for your paper. You may update various information about your paper here, or submit a whole new version.

Please contact [Mieke Haemers](mailto:Mieke.Haemers@tea2016.org) if you require further assistance or check the FAQs on <http://www.easychair.org/faq.cgi>
